 Fee: \$330 per child per week: *\$264 per child for the week of July 3rd

This unique program provides students an opportunity to experience farm life.

Depending on the week, students will have an opportunity to harvest berries, peas, cucumbers, garlic, potatoes, tomatoes and more. Spending time with our goats, sheep and pigs is a favorite activity along with checking our nesting boxes for eggs. Baby chicks, turkeys, ducks, rabbits and visiting animals provide engaging opportunities for kids to interact and learn. Every week is sure to include woodworking, hayrides, harvesting and cooking. We cook each day incorporating our harvest. Each week consists of different activities -- join us for your choice of weeks or for the whole summer!
